ELECTION MANIFEST

113 proposals for change!

SOCIAL WELFARE, EQUALITY, INCLUSION, HEALTH, YOUTH AND EDUCATION.

- 1. We will demand the construction of a Residence for the elderly and we will promote cohousing.**
- 2. We will demand the construction of the Day and Night Centre of Alcalà.**
- 3. We will set up an Integral Programme on the needs of the elderly: all the services that the Plan will establish, as well as the resources for users, such as the cognitive stimulation booklets, will be totally free of charge.**
- 4. We will finance the taxi service for the elderly for journeys for medical reasons.**
- 5. We will promote the integration of newcomers through education, associations, shared leisure activities and the learning of Valencian and Spanish.**
- 6. We will make the actions envisaged in the Local Plan against Gender Violence a reality.**
- 7. We will organise the Equality Week.**
- 8. We will fight against bullying, LGTBIphobia, racism, xenophobia and disability discrimination among school and high school students.**
- 9. We will install permanent and mobile Violet Points in leisure areas.**
- 10. We will promote the naming of new streets after important women who have been forgotten by public recognition.**
- 11. We will adapt public toilets with a space for baby changing facilities**
- 12. We will create an ordinance to fine street harassment against women, too often the first step to gender violence.**
- 13. We will demand the implementation of the Home Hospital Unit (UHD) in Alcossebre and Capicorb.**
- 14. We will demand a 24h Basic Life Support Ambulance.**
- 15. We will provide an interpreter for foreign residents who attend medical visits.**
- 16. We will create the International Residents Councillor.**
- 17. We will schedule workshops aimed at promoting physical activity, active ageing, affective-sexual and reproductive health and mental health.**
- 18. We will implement all the actions of the Local Youth Plan in the areas of youth participation and information, education and training, emancipation and employment, educational leisure and values, sustainability and health.**
- 19. We will open a Casal Joven in Alcalà.**
- 20. We will approve aid for the promotion of the birth rate.**
- 21. We will make the extension and adaptation of the CEIP la Mola a reality through the Plan Edificant of the Generalitat.**
- 22. We will guarantee universal and free education for all children from 2 to 3 years of age and we will advise on the application for the Generalitat's school voucher for children from 0 to 2 years of age.**

- 23. We will implement aid for non-compulsory educational cycles: bacalaureate, training cycles, university studies, master's degrees, doctorates, music studies at the conservatory, studies to obtain the secondary school leaving certificate for adults and Erasmus.**
- 24. We will create the Local Awards for Student Excellence.**
- 25. We will extend the school material voucher.**
- 26. We will guarantee the canteen service at the Summer School, and the service will last until the end of August, and the timetable will be extended until 5pm. We will also promote the Escola Matinera at CEIP Lo Campanar.**
- 27. We will facilitate access to new technologies for all families in vulnerable situations in the town..**

ECONOMIC DEVELOPMENT, EMPLOYMENT, TRADE AND TOURISM

- 28. We will promote a Local Employment Pact: all political forces and social and economic agents must work hand in hand to create job opportunities and a future in our town.**
- 29. We will create the Office of the Entrepreneur to advise all those who want to open a business and consolidate those who already have one.**
- 30. We will approve a powerful line of aid for the opening of businesses.**
- 31. We will approve a package of fiscal aid for businesses.**
- 32. We will carry out really powerful commercial promotion campaigns.**
- 33. We will set up Workshop Schools.**
- 34. We will run training courses for the unemployed.**
- 35. We will sign an agreement between local companies and the town council so that recent graduates from the municipality can gain work experience.**
- 36. We will promote proximity and KM.0 shopping campaigns.**
- 37. We will facilitate local job placement mechanisms with special attention to the most disadvantaged groups.**
- 38. We will develop awareness-raising campaigns on the importance of adopting measures against the black economy.**
- 39. The City Council will work with all local companies without distinction.**
- 40. We will create the Vado Comercial.**
- 41. We will look for investors for the El Campaner Industrial Estate.**
- 42. We will demand access to the AP-7 from the industrial estate.**
- 43. We will approve a programme of aid for the digital transformation of the business fabric**
- 44. We will work to strengthen the tourist competitiveness of our municipality. We will focus fundamentally on the green and digital transition and family tourism.**

URBAN REGENERATION, HOUSING AND SERVICES

- 45. We will promote aesthetic regulations to harmonise the urban landscape, façades and terraces.**
- 46. We will demand asphaltting, lighting and a coastal path in the l'Atall-Capicorb area.**
- 47. We will install efficient lighting on the Camino Campamento Jaume I.**

48. We will approve a Comprehensive Plan for the Reactivation of the Historic Centre of Alcalà with 4 pillars:

- *Alcalà, get pretty!* We will beautify the Plaza Don Ricardo Cardona and continue with the paving of the streets Alcalde Puig, la Poma, el Peso and San Juan. We will also install a new tourist office in the Plaza de la Iglesia.**
- *Alcalà, rehabilitate!* Aid programme for the comprehensive rehabilitation of old houses. We will sign agreements with the owners to use them for social rental and tourist housing.**
- *Let's raise the shutters!* Strong aid and advice for opening businesses in the historic centre.**
- *Alcalà, cultural and touristic!* A complete programme based on history and the main monuments.**

49. We will make a strong commitment to increase green and shaded areas, to "make the streets and squares of our municipality more friendly".

50. We will beautify the pending section of the Rench (between Barquer and Alcalà streets) as well as the Callejón de Na Violant d'Hongria.

51. We will carry out an Urban Environment Improvement Plan: we will asphalt and improve the street furniture in those streets and squares that need it.

52. We will promote a public network of car parks.

53. Creation of parking spaces for pharmacies. These are squares painted green with a white cross for short-term stops outside pharmacies, to avoid badly parked cars.

54. We will paint educational zebra crossings: stop, look and cross. Messages on the white closest strips to the pavements

55. We will implement a Public Space Accessibility Improvement Plan.

56. We will implement a line of aid to promote energy efficiency in the homes of our town.

57. We will work with the Conselleria to approve a new Plan of Uses for the Las Fuentes Marina: integration of the roofs of the commercial premises for the construction of a passageway, prohibition of any type of dry port, etc

58. We will create a mobile application so that citizens can immediately report any incident or damage to the public highway.

ECOLOGICAL TRANSITION, SUSTAINABLE MOBILITY AND AGRICULTURE

59. We will demand the construction of the Alcalà sewage collector to the sewage treatment plant.

60. We will demand the regeneration of our coastline.

61. We will promote a Plan for the Improvement of the Beach Facilities: walkways, litter bins, accessibility, showers...

62. We will carry out the urgent actions foreseen in the Sanitation Plan and we will create a Follow-up Commission.

63. We will install solar panels in all municipal buildings where possible, with the technical assistance of the Castelló Provincial Council.

64. We will create a Local Energy Community in Alcossebre.

65. We will continue to expand the catalogue of protected trees.

- 66. We will promote environmental education. In addition to Tree Day, we will celebrate Earth Day and Environment Day and we will carry out sustainability campaigns throughout the year.**
- 67. We will promote the use of reusable cups at Fiestas.**
- 68. We will implement the actions set out in the Forest Fire Prevention Plan: our municipality has been declared to be at high risk of forest fires.**
- 69. We will intensify street and container cleaning.**
- 70. We will progressively implement the actions of the Sustainable Urban Mobility Plan. In particular, we will improve public transport, promote the network of cycle routes, expand bicycle parks, install more electric vehicle recharging points and promote improvements to the urban fabric where pedestrians will be the protagonist.**
- 71. We will help in the purchase of bicycles, including electric bicycles.**
- 72. We will complete the lighting and the cycle-pedestrian road on the Las Fuentes road.**
- 73. We will progressively asphalt and improve the signposting on the Camí de la Bassa Espitges. The objective is to have a good service road between Alcalà and the Alcossebre bridge roundabout (we are not going to deceive with fanciful and delirious boulevards).**
- 74. We will implement a Road Improvement Plan with the consensus of the Municipal Agricultural Council.**
- 75. We will promote a Gastronomic Space.**
- 76. We will carry out training courses in agriculture.**
- 77. We will promote the cleaning of farms with weeds.**
- 78. We will approve a collaboration agreement with the Sant Isidre Agricultural Cooperative to set up a pool of workers available to people or anyone who needs personnel for the harvest. In this way we will also avoid the black economy.**
- 79. We will promote the necessary steps to take advantage of the water from the sewage treatment plant that is being lost to be used for agricultural irrigation.**
- 80. We will apply for aid, taking advantage of the fact that we have a VC to carry out infrastructure such as greenhouses that allow us to produce in winter.**

CULTURE, HERITAGE, FESTIVALS AND SPORT

- 81. We will open premises for the Music Band: rehearsal room, archive and classrooms.**
- 82. We will make an ambitious commitment to the cataloguing, recovery and tourist promotion of dry stone.**
- 83. We will approve a powerful annual cultural programme.**
- 84. We will hold a Cultural Week prior to the Patron Saint's Festivities.**
- 85. We will implement a calendar of guided visits to the main monuments throughout the year.**
- 86. We will promote the Book Fair.**
- 87. We will restore the Ebrí Tower.**
- 88. We will expand the collection of books on our history in the municipal libraries. We will also set up the "Readers' opinions" section to collect suggestions and opinions on the books read.**
- 89. We will bring back the Culture and Sports Gala.**

- 90. We will collaborate with the Provincial Council for the continuation of work on archaeological sites.**
- 91. We will collaborate with the Provincial Council in the implementation of the Xivert Castle Master Plan: an ambitious document that diagnoses the needs of the monument and sets out all the actions to follow for the architectural consolidation of the Castle, archaeological research and exploration, the conservation of the natural environment and the tourist and cultural promotion of the fortress.**
- 92. We will continue to carry out the various phases of the work on the Casa de Don Ricardo Cardona**
- 93. We will illuminate the Calvario and its recreational area, which will also be improved and properly maintained.**
- 94. We will support local sportsmen, artists and designers with an outstanding.**
- 95. We will programme a local cinema in the non-summer period.**
- 96. We will set up a Beach Library Service.**
- 97. We will promote reading campaigns.**
- 98. We will guarantee knowledge of Valencian to all citizens.**
- 99. We will organise competitions for festive posters and Christmas greetings.**
- 100. We will recover the Festival of Sant Jaume.**
- 101. We will make improvements to the San Fernando football pitch: replacement of the current lighting with an LED system and we will enlarge the stands for the public.**
- 102. We will study the possible alternative use of the abandoned football pitch on the Sant Miquel road.**
- 103. We will build more paddle tennis courts in Alcossebre.**
- 104. We will approve the free use of the swimming pool and municipal sports activities for people who are unemployed or vulnerable.**
- 105. We will enable a central space to make a mini football field for children to play in**

DEMOCRATIC MEMORY, GOOD GOVERNANCE, CITIZEN PARTICIPATION AND TRANSPARENCY

- 106. We will declare 31 October the Day of the Victims of the Coup d'Etat, the Civil War and the Dictatorship.**
- 107. We will remove from public roads any vestige of Franco's regime in force.**
- 108. We will help in the exhumations of all those families who have loved ones in mass graves.**
- 109. We will promote a culture of harmony, unity and peace.**
- 110. We will create a Council for Citizen Participation and we will promote true participatory budgets.**
- 111. We will respond to all the requests registered by the citizens, something that unfortunately does not happen today.**
- 112. We will make the Tourism Council and the Agricultural Council more dynamic and we will create the Council for Culture and Traditional Festivals.**
- 113. We will guarantee access to information to all citizens, and we will render accounts every year in an open assembly on the execution of the commitments of the local government.**
